

Saturday May 25, 2024 8:00am. TAMDC members free “give back” Waco hunt. Partnering with Freedom’s Path Waco at the Doris Miller V.A, medical center campus.

**Doris Miller V.A. medical center
4800 Memorial Dr, Waco, TX 76711**

At the main entrance turn right on **Quarters Drive** and park along the street and big trees.

We will be volunteer searching 4 acres of the 90+ years old hospital housing grounds, before rebuild construction. This is helping Waco's Freedom's Path project, for veterans housing. [Stan Parker Foundation](#)

The dug military and Texas relics, nice old coins, Waco and hospital related finds will be displayed at the renovated buildings welcome center. The 4 acres and 3 buildings to be rebuilt are from 1932, originally for WW1 veterans and were in use until 10 years ago. This is federal Veterans Administration property leased to Freedom’s Path housing. **Very important we only dig in these 4 acres only on the huge medical center campus.**

Please forward to your club members. All are welcome to help. Especially need help from the Longhorn Diggers club, and Waco metal detecting team, hoping to get 20 to 30 persons to help and start digging at 8:30am hunt day. Be prepared to hunt all day (bring sun screen, bug spray, water, snacks). Hunt goes on rain or shine. We expect to dig a good mix of stuff, likely never hunted before. The diggers will be able to keep most of the modern finds and some of the duplicate items. We hope to hunt most of the day with a break at 12:00pm for lunch. TAMDC will have some silver door prizes by ticket drawing and best finds prizes. Must be present to win. Ilona and I will be there to run the hunt and dig too.

This is separate from the TAMDC Treasure show at Temple (see TAMDC.org and TAMDC facebook). Pending on what's found, we will display the good finds at the TAMDC show tables before returning them to Freedom’s Path in nice display boxes. The better finds will be tagged with the diggers names too. Stan asked we please visit the Stan Parker Foundation website to learn more. Stan will be providing water. Restrooms are next door at the gas station.

Reminder this free Waco hunt is for TAMDC members through their dues paid clubs or individual members. If you would like to join or renew dues through TAMDC you can pay onsite cash \$5 per member. This will cover events through January 2025. See tamdc.org for details.

Thanks,

Byron Whitaker, TAMDC VP 713-854-3023
